

PLEASE NOTE LAUNCH CLOSURE: Per the notification from the Park Supervisor, Stephanie Rosinski (ph: 231-922-5270 or 231-492-6794), overseeing the new Torch Lake boat launch, the new and old sites will be **completely shut down** for public access starting on August 5 until August 30, 2024, for a four-week span (this includes weekends). The target date for re-opening is August 30, 2024, right before Labor Day Weekend.

In order to launch your watercraft on Torch Lake during the shutdown time of the Torch River Bridge launch site, please use one of the two following locations below, or any other launches located around the Chain of Lakes to access the water.
